

June 13, 2017 | Green Bay, WI

About Let's Roll

Event description

Make plans to join us at this exclusive event and be one of the first to experience the all-new Omnia.

The Omnia, appropriately named for its Latin meaning 'all, everything,' marks a new era for PCMC in the embossing and laminating market. It's a full-featured machine that delivers safety, flexibility, fast changeovers and productivity in a compact footprint.

In addition to a demonstration of the Omnia, you'll have the opportunity to tour our new Converting Solutions Lab and realize the benefits of partnering with Northern Engraving to develop and test your web patterns. You can also network with a select group of industry suppliers as well PCMC team members from all parts of the company.

Event details
